To Whom It May Concern,

Beckman Baseball has achieved unprecedented success over the last 17 seasons. We became the first baseball program to win a CIF Championship in Irvine City history, with our win at Dodger Stadium in 2011. The team has also appeared in the CIF playoffs for 16 consecutive years. In addition to the CIF success, we have won the Pacific Coast League Championship eight times. Along with the on-field success, we have built and maintained a beautiful baseball complex that complements the incredible academic facilities at Beckman High School.

Many Beckman baseball players continued their playing careers in college and professional baseball after playing at Beckman High School. The Beckman Baseball experience provided these players with the fundamental skills and baseball acumen to play at a higher level. Additionally, Beckman Baseball players have contributed significantly over the years to their community through volunteering at numerous events.

We are hosting a Hit-a-thon on March 3rd 2024 and we are looking for items for our silent auction. We are very open to any donations you would consider.

Your commitment and generosity to the Beckman Baseball Boosters directly benefits the young men in your community and the Beckman Baseball Team.

Gratefully,
